"But if you can feel empathy for people it changes your whole outlook. Who am I? Who are you? Isn't it humbling?"

-Eddie Vedder

Time is relevant quote. Time frame quotes. When your time's up quotes. Time to accept quotes.

Contemplation is a very dangerous activity. It brings us, also, face to face with the world, face to face with the self. What happens if you had found the courage to do what you really wanted to do and make it changed all your life? "Shannon L. Remember your connection with the infinite and that the memory will give you freedom. Amit Ray, step-by-step illumination. Gillette: "The best you can get a man". I stay looking at the screen. Not only does it lead us face to face with God. I was very long of being the best to be the best. A man can arrive. Craig Ferguson, American to Propolis: The unlikely adventures of an unlikely patriot. "I felt asking me: why is there always this deep shadow of melancholy over the fields on the banks of the river ari? The sun of our country? (34) Contemplation is not and can not be a function of this external self. The pleasure at the time was my only thought, my solitary motivation. So busy is that he does not have time to consider How many Crumble Monuments, how often the names are forgotten! "Rabindranath Tagore" Oh, how good it is to be with someone, sometimes." Marqueri Te Duras, Hiroshima Mon Amour. "Great ideas emerges from intiothful thinking fragments. "Michael Bassey Johnson" If he can not cure death, unhappy and ignorance, men have decided, to be happy, not to think about such things. "Blaise Pascal, I thought «Previous 1 2 3 4 5 6 7 8 9 - 13 14 Next » Many scientists think that philosophy does not take place, so for me it is a sad moment because the role of the Reflection, contemplation, meditation, self-esteem, perception, intuition, imagination, creativity, free will, are not given any importance, which is the mastery of philosophers. Such one is alone with God in all places, and only he really enjoys the companion of other men, because he loves them in God Whoever his presence is not boring, and because he is his own love for them. they. The satiety is never known. "Thomas Merton, no man is an island," a good traveler is one who knows how to travel with his mind. " Michael Bassey Johnson, the book of Maxims, Poems and An. "Heanver I think of something, but I can not think about what I was thinking, I can not stop thinking until I think I'm thinking again . He is a spiritual wonder. But the man who learns, in solitude and memory, to be at peace with his own loneliness, and to prefer the reality of him to the illusion of merely natural companion, comes to know the invisible company of God. What happens if the answer was not in words, but in accident? What happens if it was established family, but God was trying to give you something better? He was going to walk through the moon, be a movie star or a rock and a comedian. It is gratitude for life, by consciousness, and for being. He was going to have an incredible life and girls with Helen and he would die like Chaplin a thousand years from now on my beverly Hills managing surrounded by my worship family, with the duel of the media. A drunk who pulled his pants and ran for help. That is why there are contemplative souls that have lived more intensively, more widely, more tumultuous than others who have lived their lives purely externally. " Fernando Pessoa, the book of restlessness," must find the time for himself. What happens if you missed your chance because you did not know your value? Seeing and worshipping the presence of Jesus, especially in the humility of bread, and in the disguise of anguish of the poor. " Mother Teresa, in the heart of the world: thoughts, stories and prayers". If you were wrong? If one is not careful, one allows deviations to assume time, things about life. " Carl Sandburg. The man who is afraid to be alone will never be anything more than lonely, no matter how much I he can surround himself from people. Alder. "The Days, maybe even weeks, until something, some impulse, triggered you so that it finally expresses them. "We are not very good at recognizing illusions, less of all we appreciate about ourselves. And I got to the conclusion that it is because with us nature is obviously the most important thing. It is a void realization of the fact that life and state in us come from an invisible source, transcendent and infinitely abundant. What happens if doing what That you have never done before, was the answer to everything that did not mean? Now it is necessary and then for a man to disappear by himself and experience solitude; to sit on a rock in the forest and ask himself, 'Who am I, and where have I been and where I'm going?' . What happens if you decided not to go back, but forward? What would happen if everything you have believed was a lie? Where nature is hidden, and the companions under fog and The cloud, snow and darkness, man feels away, considers his desires, his works, as permanent; he wants to perpetuate them, look at the posterity, he lifts monuments, he writes biographies; It even goes the length of erecting the lupins over the dead. They become more aggravated, more provoked by the confusion that the most painful truth. " CRISS Jami "If love is blind, then maybe a blind person who loves has a greater understanding of This ". " CRISS Jami, Salom. "In every inch of each mile" Life is an experimental journey involuntarily made. Page 1 of 28. " CRISS JAMI, KILLOSOFIA. " is more than they do not understand me; But I'm afraid, in fact, that it is in any way possible to transmit to the mind of the merely general reader, an adequate idea of that nervous intensity of interest with which, in my case, the powers of meditation (do not speak to Native and buried, in the contemplation of even the most ordinary objects of the universe. "This is what it means to be contemplative in the heart of the world. There is an irreducible opposition between the deep self who wakes up alone in the contemplation, and the superficial external being, which we commonly identify with the first singular person. (7) Our reality, our true self, is hidden in what it seems to us. I know anything ... we can raise ourselves above this unreality and Return our hidden reality ... (281) God himself begins to live in me not only as my Creator but as my other and true I. Labelled quotes as "contemplation" showing 1-30 of 402. " Never hide the Things of the Pen Hardcore Sadores. (41) "Thomas Merton, new seeds of contemplation: it is necessary for the perfection of human society that there should be men who dedicate their lives to contemplation." Thomas Aquinas ". " Our life of contemplation will hold the following features: " Missionary: When leaving physically or in spirit in search of souls throughout the universe." Contemplative: When collecting the whole universe in the Center of our hearts where the lord of the universe remains, and allowing the pure water of divine grace to flow abundantly and incessantly from the source itself, in general of its creation. "Universal: praying and contemplating with everyone and for all, especially with and for all. For the spiritually harder of the poor. " Mother Teresa, in the heart of the world: thoughts, stories and prayers" The only thing that makes life. Living is the possibility of experiencing now and then a perfect moment. We carry the world in our hearts: the oppression of all the peoples, the suffering of our friends, the burdens of our enemies, the violation of the land, the hunger of the hungry, the joy of each child laughing. Nothing stays the same once we have found the God within ... it comes and goes, like the ferry ship, from this coast to the other; The buzz of him, the echo of his song, is heard; The slight movement of its search of its own petty wishes is seen in the market places of the world: but how weaknesses, how temporary, the tragically without meaning, everything seems in the middle of the immense Removing the universe! The contrast between the peace of beautiful, wide nature, without aurely, calm, passive, silent, unfathomable, "and our own daily concerns, petty, charged with pain, tormented to fight, put me by my side while I keep starting . In the nebula, distant, the blue line of trees that border the fields through the river. I was disappointed to who would have been silly enough to love me, and I heard them. My life had been neglected and Ego. It is a journey from the spirit through the material world and, since it is the spirit that is traveling, it is the spirit that is experienced. And then, of course, something should be done. What happened to me? and Perhaps even more than that, it is having the ability to remember these moments in its entirety, to contemplate them as jewels. " Time is with what we spent our lives. Votes: 2 Deepak Chopra Contemplation is life itself, completely awake, totally active, and totally aware that it is alive. There is no art without contemplation. It is spontaneous amazement to the sanctity of life, if it is. It was meant to be one of those types, vigorous and athletic and successful and, above all, American.
