We do this by helping them understand, that as members of the public, they are complicit in the creative process. The Approach "Enable Audience" in this lesson provides a structure in which student audience members develop a critical eye and artists develop clarity on purpose. It also promotes an emotionally safe environment for everyone. A detailed explanation of the Active Audience Relationship Diagram (re: theme) by This tool is useful for artists of any genre. I created it for visual art students at university level, but I use it in my creative writing courses and literature.
